WELCOME PERSIJA!

We are very pleased to welcome Persija Jakarta — the representative team of Indonesia's premier football league — to N.S.W. for their tour. We hope they will enjoy plenty of good Soccer, and that hospitality and comradeship here will match the friendship that Western Suburbs received in Indonesia last October.

Australian crowds learnt to appreciate the superb ball-playing skills of your National team in the World Cup sub-group in Sydney last March.

As soon as the present tour was mooted, the N.S.W., Northern N.S.W., A.C.T. and Australian Federations assisted, as did all the N.S.W. clubs that could be accommodated in the main and early fixtures — what a tremendous response! Our special thanks to Pan Hellenic, Safeway United, Hakoah-Eastern Suburbs and St. George clubs.

To manager Dr. Frank Hutasoit, Deputy Viceroy of Jakarta, other distinguished visitors and the players — a happy tour, some great football, and ultimately, a safe return.

Also to Garuda Indonesian Airways and Shaw Savill Line, a huge vote of thanks for their valued assistance. We are sure that they will gain a full measure of support from the association.

Albie Anderson, President,
WESTERN SUBURBS SOCCER CLUB LTD, tour sponsors.

EXPERIENCE ON DISPLAY

No less than 14 of our visitors have played for Indonesia in full international matches, and coach Sinjo Aliandu is experienced in football throughout Asia.

On the local scene, big moves have come in the wake of our World Cup success, and the series against Jakarta Persija has given many opportunities for the public to obtain a welcome preview to the season's prospects.

Safeway's formidable line-up for the tour opener includes National captain Peter Wilson, and a tremendously powerful front-running trio, Adrian Alston, Max Tolson and Dave Rigby.

Northern N.S.W. will field that great performer Tommy Snedden, with Graham Bull earning a lot of attention.

Pan Hellenic, with Rale Rasic at the helm, includes Ivo Rudic, with Gary Manuel making a welcome re-appearance. Wests, captained by Alec Gray, field almost their final four team of 1973.

The A.C.T. has drawn heavily on Juventus, Queanbeyan City and Monaro.

Yet the biggest show of all might prove to be the first match at Wentworth Park between Hakoah and St. George on Sunday Jan. 13, when the clubs will between them play up to 12 internationals, mainly members of our great World Cup squad.
